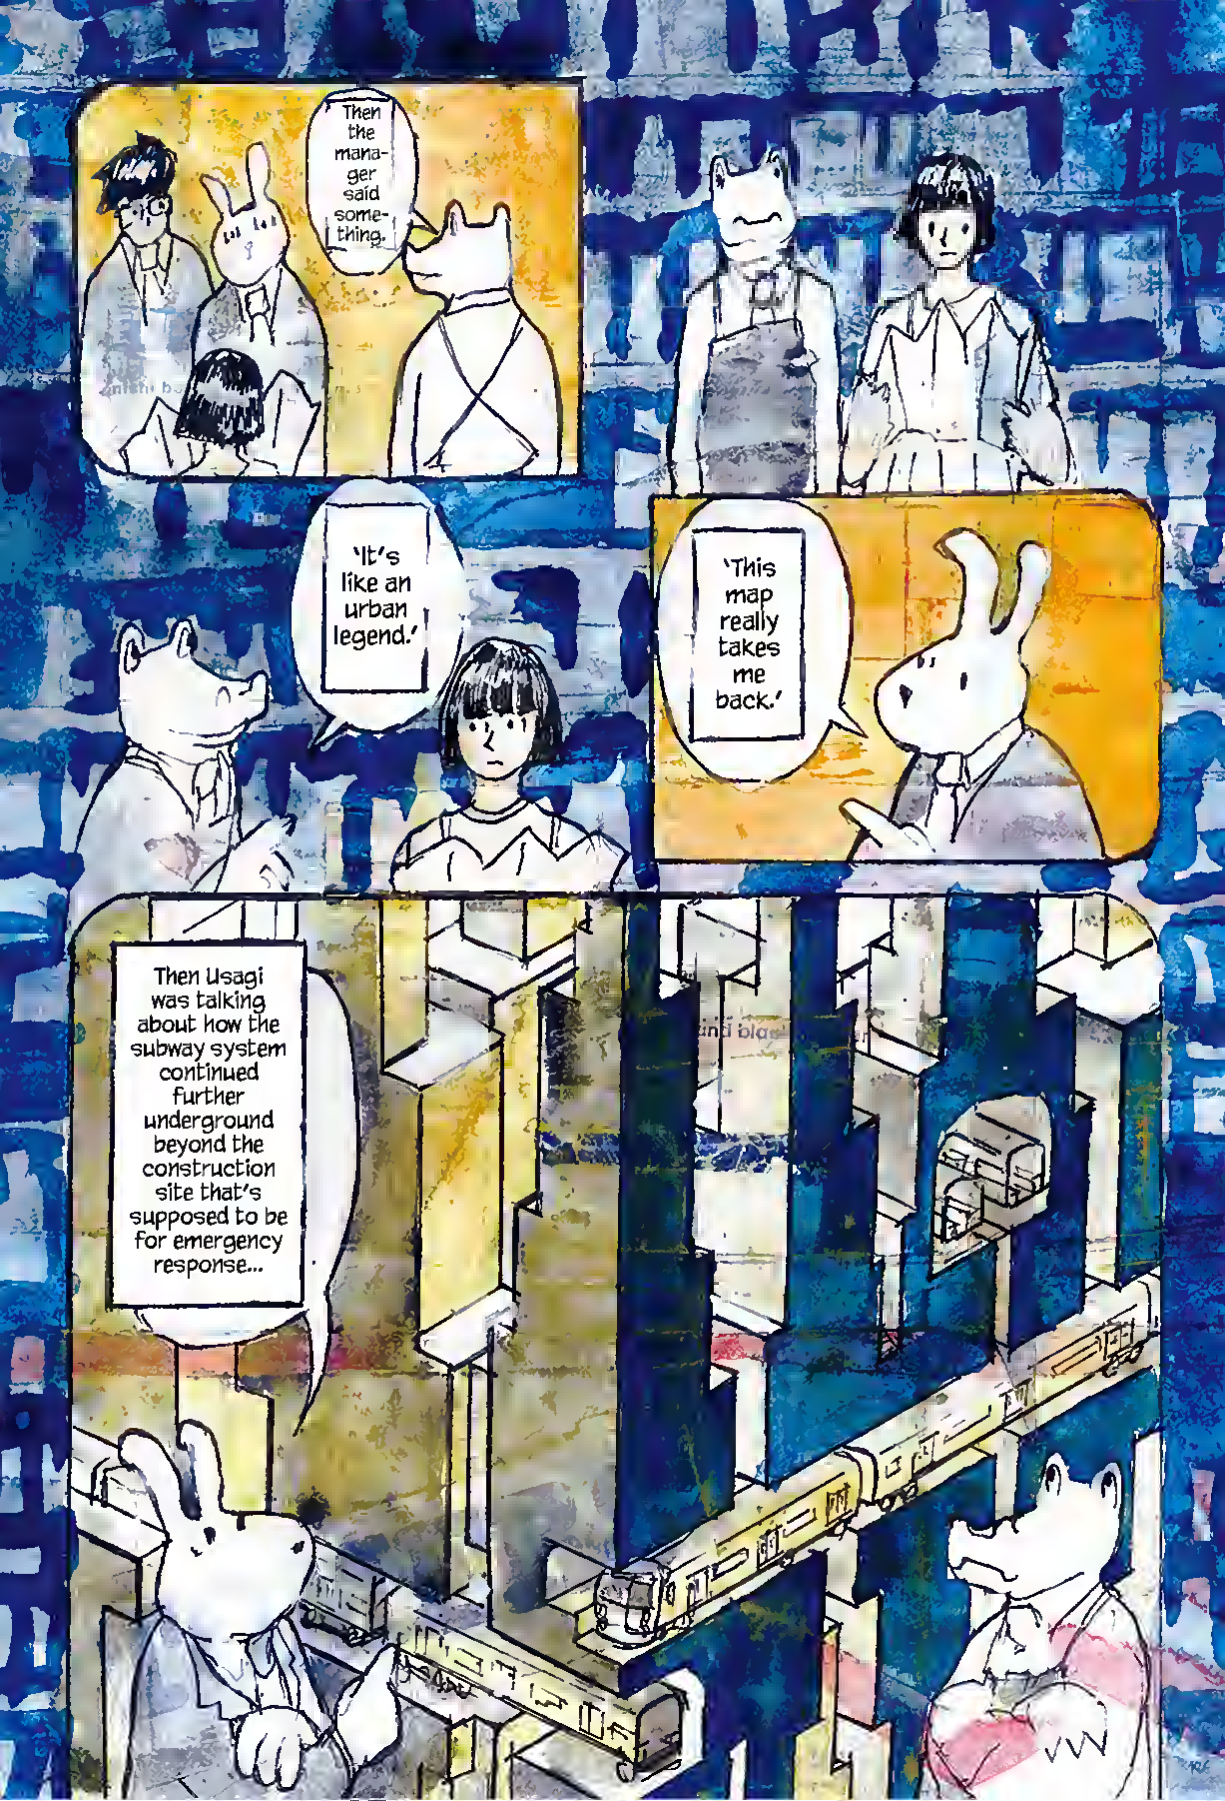
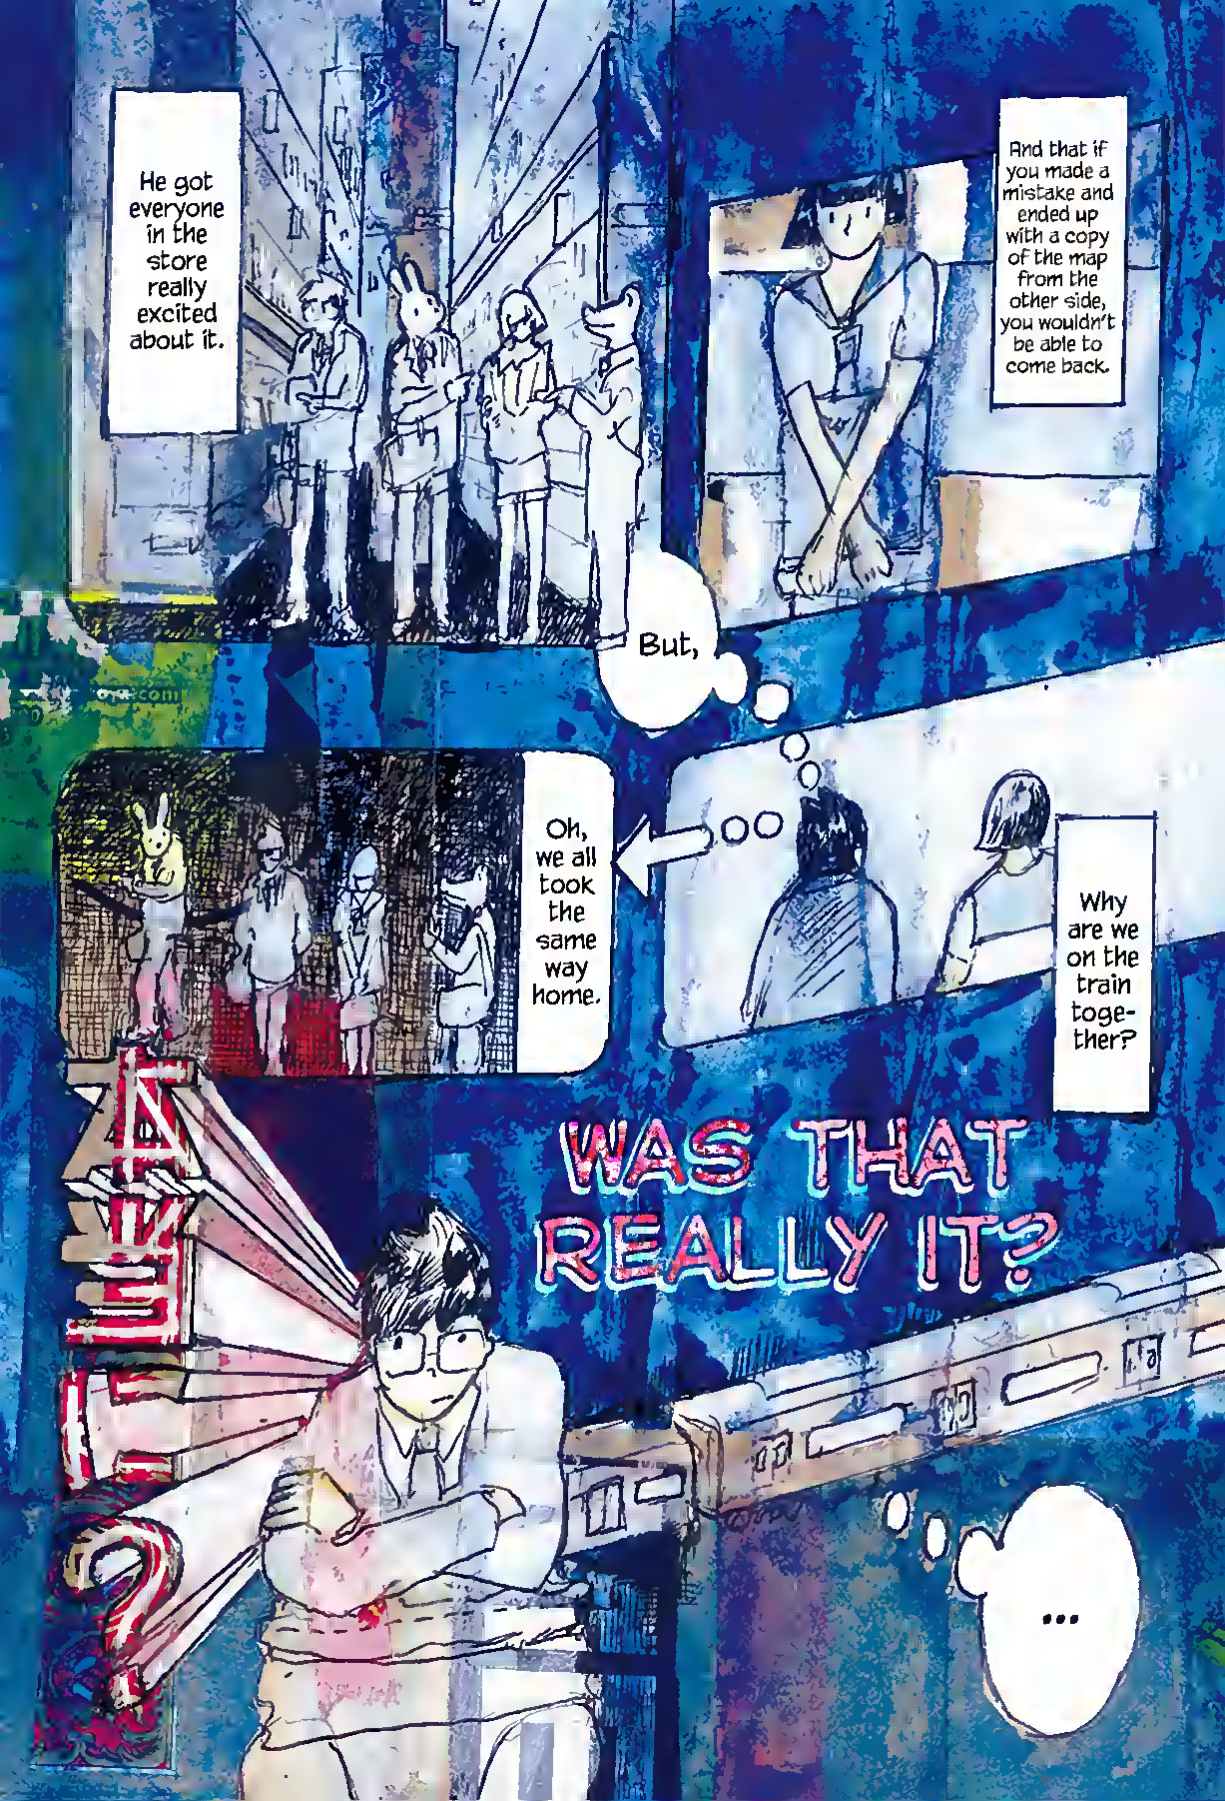
Rapid
Commuter
Underground

Why am I on the train with this girl again?
We found the usual clerk, right?
Usagi said some-thing...
Now that I think back, in the art store...



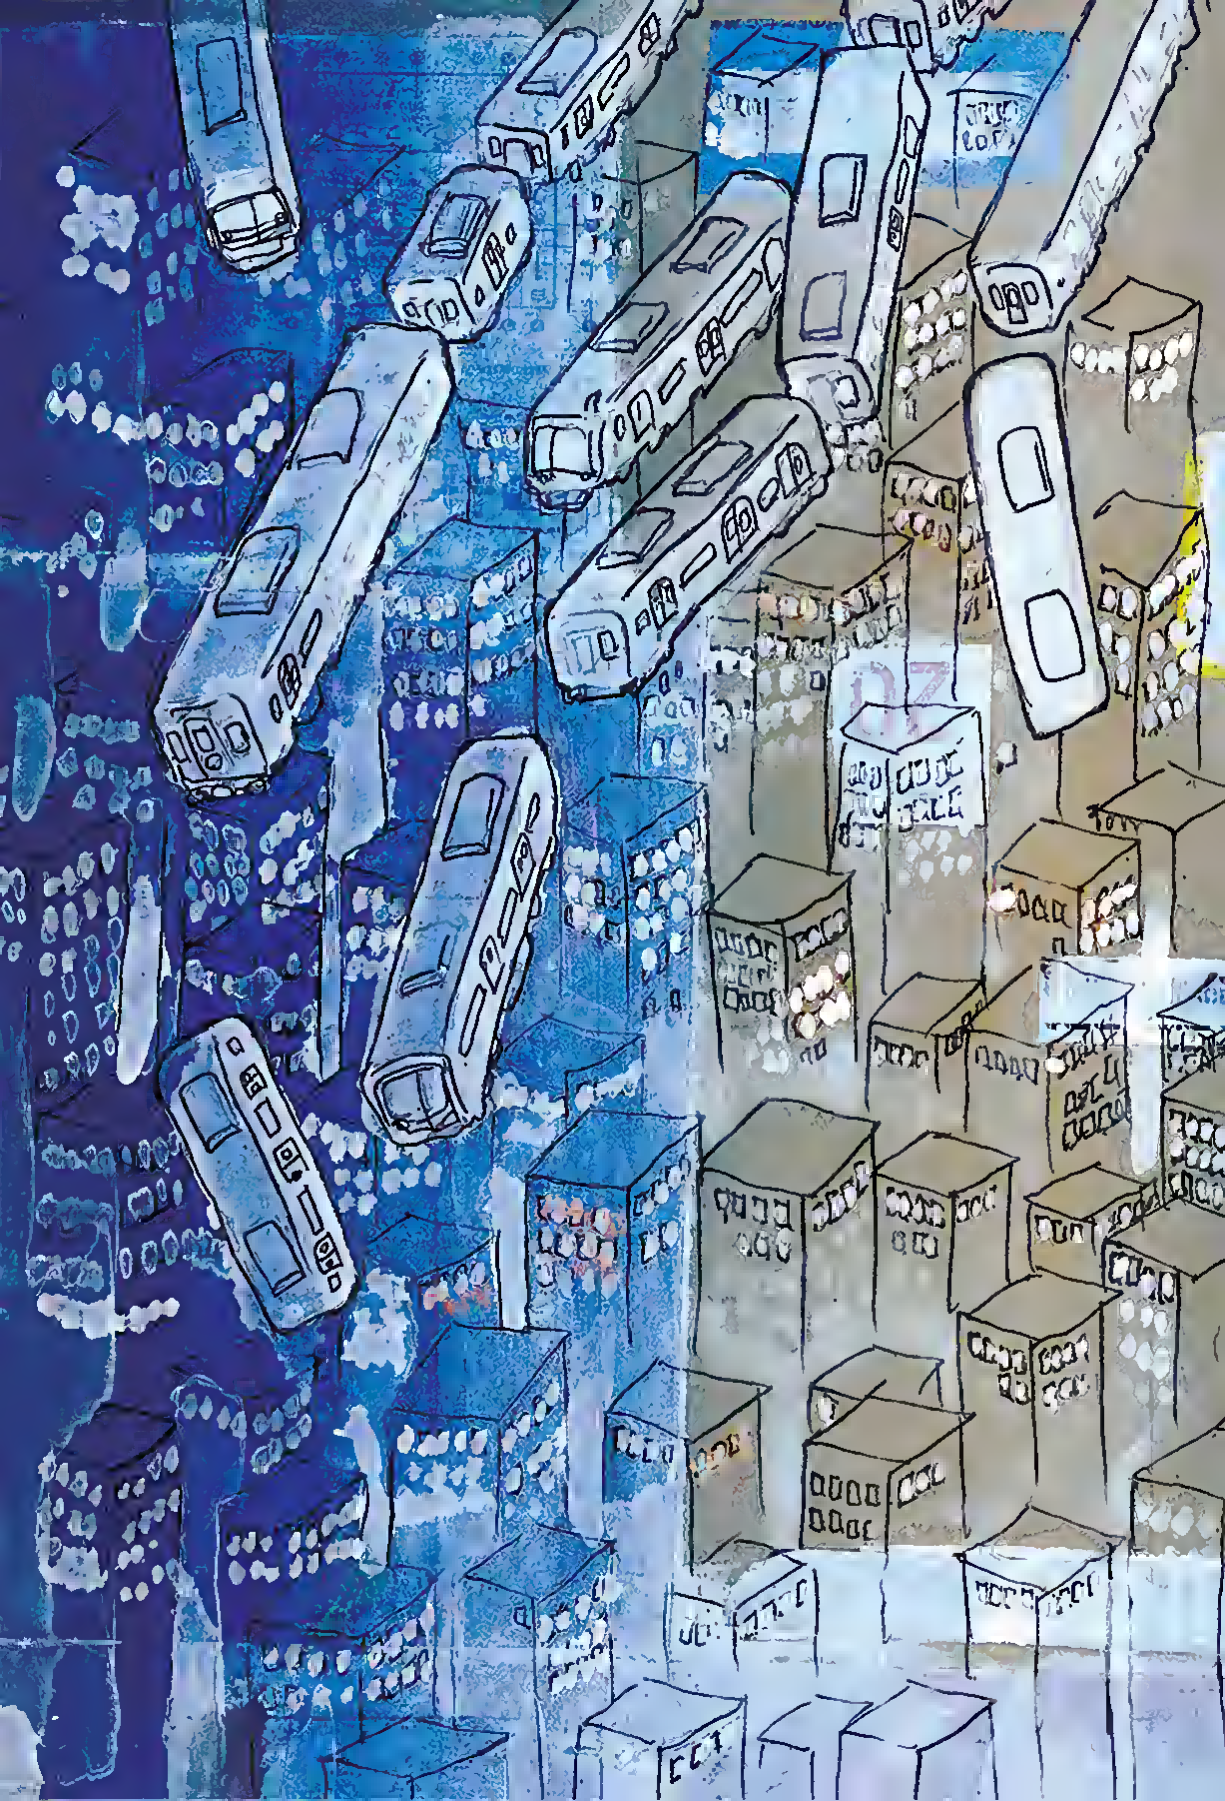
Then the manager said something.
'It's like an urban legend.'
'This map really takes me back.'
Then Usagi was talking about how the subway system continued further underground beyond the construction site that's supposed to be for emergency response...

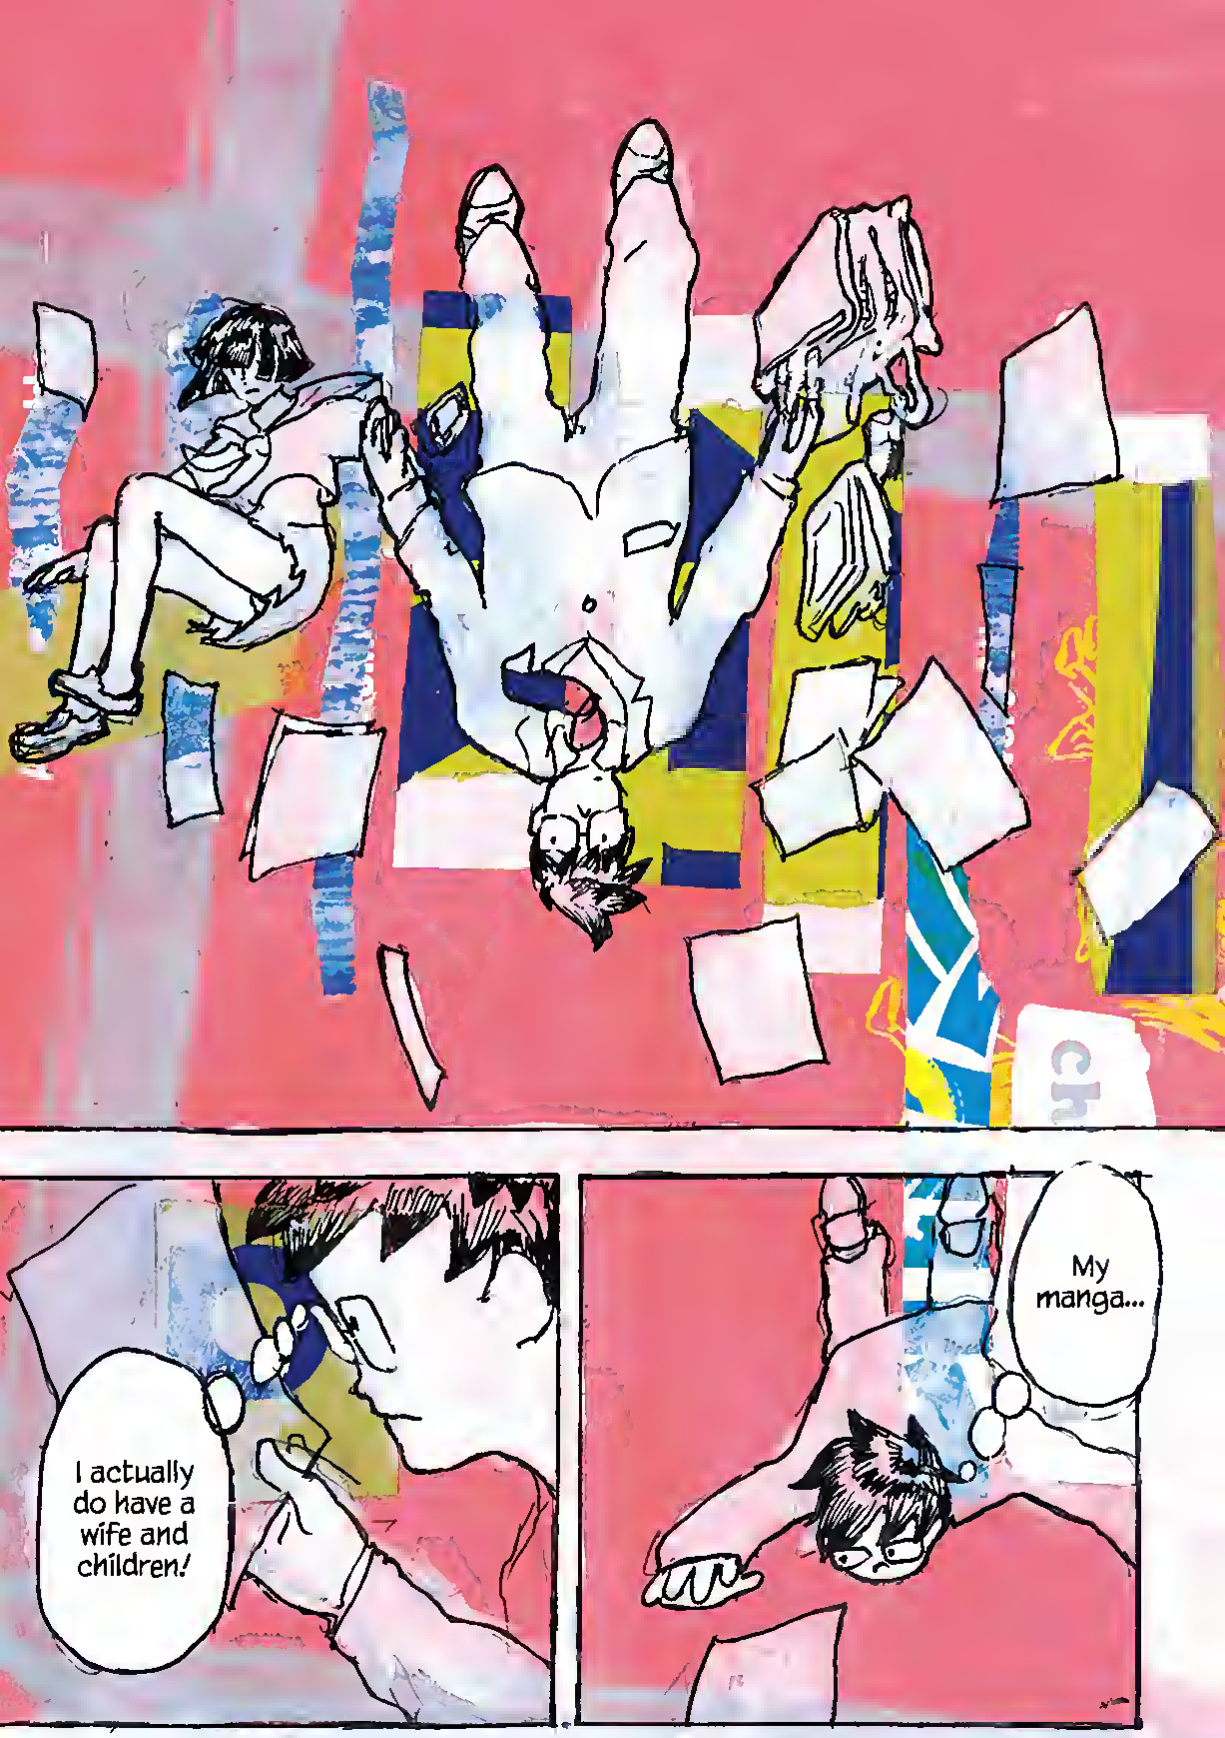


He got everyone in the store really excited about it.
And that if you made a mistake and ended up with a copy of the map from the other side, you wouldn't be able to come back.
But,
Oh, we all took the same way home.
Why are we on the train toge-ther?
WAS THAT REALLY IT?
...

He's a salaryman that draws manga during his commute.
There's a person that I'm looking for,
Speaking of the Tozai line,
Do you know who he is?
You bet I know who he is!
Eh?
A salaryman drawing manga?
"PLEASE STOP DRAWING THINGS ON THE TRAIN!"

'WE'RE MAKING AN EMER-GENCY STOP'.





I actually do have a wife and children!
My manga...
